

WINTER ROAD EMERGENCY GUIDE

STUCK IN A SNOWSTORM?

- **Stay Calm:** Remain in your vehicle unless it's unsafe.
- **Call for Help:** Use your phone for roadside assistance or emergency services.
- **Conserve Energy:** Run your engine and heater sparingly. Check your exhaust pipe is clear of snow.

MULTI-CAR PILE-UP? 3 LEGAL TIPS:

1. **Document the Scene:** Take photos, note details, and gather witness information.
2. **Exchange Information:** Names, contact details, insurance, and registration numbers.
3. **Stay Neutral:** Avoid discussing fault or liability.

INJURED IN A CRASH?

- **Seek Medical Attention ASAP:** Even for minor discomforts.
- **Consult an Attorney:** For guidance on insurance claims and legal proceedings.
- **Know Your Rights:** An attorney can help with compensation claims for damages and losses.
